

Jamshid Ahmadi

I have worked for Somerset County Council since April 2001 when I moved to the UNISON County Branch. I have been a member of UNISON since 1995. I have served as the International Officer of the UNISON County Branch for three years. My function is primarily to alert the branch to issues and opportunities that could impact on the effectiveness of the branch and the work it does to protect jobs and services.

I also sit on the regional International Committee of UNISON South West. I can take issues of interest to Somerset Branch to the regional committee in order to win wider understanding and support. Similarly I occasionally bring issues that are relevant and of interest to the branch for information, discussion and action.

I am based at County Hall, A Block and my extension is 6131. My e-mail address is: JAhmadi@somerset.gov.uk
