

Liz Payne-Ahmadi

I was elected as Branch Retired Members' Officer in 2009. I've been a member of three unions during my working life: the NUT, NATFHE and UNISON and was a branch secretary in NATFHE for some years. I joined UNISON in 1999 when I came to live in Somerset and work at Somerset College of Arts and Technology. I joined the County Council in May 2006 and retired in February 2009. As Retired Members' Officer, I'm a member of the Branch Council and raise retired members' issues there. I also raise the awareness of working members about the importance of supporting UNISON's campaigns to secure quality of life in retirement for members in the future. I am a member of UNISON's SW Regional Retired Members Advisory Panel and attend the annual UNISON Retired Members' National Conference. I can be contacted via the branch office or by e-mail payneahmadi@btinternet.com
